This morning is a guided Tsukiji fish market tour, exploring one of the world's largest seafood markets learning about how seafood is used in traditional Japanese cuisine. With purchases made at the market, you will next participate in a sushi-making lesson. Under the guidance of a local cook learn to prepare rolled sushi, nigiri sushi, and other variations then enjoy your creation!

In the afternoon, discover Hamarikyū, a Japanese garden that once served as a private villa of a powerful feudal lord during the Edo period. From the park, take a scenic river cruise to Asakusa, a part of Tokyo's shitamachi or old town and is the city's oldest Geisha district.

Overnight: Palace Hotel Tokyo or similar

DAY 3 | TOKYO - NIKKO - TOKYO

Today we drive to Nikko for a full day of sightseeing. We visit the Toshogu Shrine, a UNESCO World Heritage Site which is the final resting place of Tokugawa Ieyasu, the founder of the Tokugawa Shogunate that ruled Japan for over 250 years. Nikko is also famous for spectacular scenery such as Lake Chuzenji, the Kegon waterfall and the Tamozawa Imperial Villa, all sights we will visit today before returning to our hotel.

DAY 4 | TOKYO - MT FUJI - HAKONE

Departing Tokyo, our journey continues to the idyllic countryside location of Hakone, crowned by Mount Fuji and

stunning mountain scenery. First ride the Hakone Tozan switchback train that zigzags through the mountains and offers views of the surrounding valleys. Afterwards, ride the Guinness World Record-holder ropeway all the way up to Mt. Owakudani, passing over sulfurous fumes and hot springs. From the mountain, take the ropeway bound for Togendai and ride the replica pirate ship that cruises along Ashinoko, a body of water that was formed after a volcanic eruption that occurred more than 3,000 years ago.

Overnight: Hakone Tenyu or similar

DAY 5 | HAKONE - KYOTO

After breakfast, for those interested, there is a chance to soak in an Onsen, a traditional Japanese hot spring. Our journey continues today to Kyoto by Japan Rail Shinkansen, a bullet train. Running at speeds of up to 320 km/h, the Shinkansen is known for punctuality (most trains depart on time to the second), comfort (relatively silent cars with spacious, always forward facing seats), safety and efficiency.

Home to an astonishing 2000 shrines and temples, here in Kyoto you will explore the beautiful Kinkakuji-temple (Golden Pavilion); originally built as a retirement villa for the Shogun, after his death it became a Buddhist Temple. We also visit the Ryōan-ji (Rock) garden which is considered one of the finest surviving examples of kare-sansui (dry landscape). This refined type of Japanese Zen temple garden design generally features distinctive larger rock formations arranged amidst a sweep of smooth pebbles (small, carefully selected polished river rocks) raked into linear patterns that facilitate meditation. We transfer to our hotel, the award winning Kyoto Hyatt Regency located in the beautifully verdant Higashiyama Shichijo.

Overnight: Kyoto Hotel Okura or similar

DAY 6 | KYOTO

A full day sightseeing today including a visit to the UNESCO World Heritage Site Todaiji in the city of Nara. Its Great Buddha Hall houses the world's largest bronze statue of the Buddha. We visit Nara Park also known as Deer Park which is home to hundreds of freely roaming deer, considered in Shinto to be messengers of the gods. Nara's nearly 1200 deer have become a symbol of the city and have even been designated as a natural treasure. We then visit Kasuga Grand Shrine

which is a Shinto shrine established in 768 AD famous for its many bronze lanterns, as well as the many stone lanterns that lead up the shrine. This afternoon we visit the Fushimi Sake Brewery to sample Japanese sake then on to Kiyomizu Temple. Founded in 778, this iconic Buddhist temple on Mount Otowa is known for the scenic views afforded from its sizable veranda. This evening we stroll in the Gion area – home to the “Geiko”, the local name for Geisha.

Overnight: Kyoto Hotel Okura or similar

DAY 7 | KYOTO

Continue your exploration of Kyoto today. Visit Arashiyama, famous for its beautiful scenery and the bamboo forest. Today we have an immersive Japanese cultural experience as we dress in traditional Kimono and take part in a Japanese tea ceremony in a machiya house (traditional Japanese house) followed by a discussion about the nuances of these practices.

Overnight: Kyoto Hotel Okura or similar

DAY 8 | KYOTO - HIROSHIMA

Our journey continues today to Hiroshima by Shinkansen and we transfer to the small shrine island of Miyajima. This island is home to the world renowned red floating Torii Gate that leads to the Itsukushima Shrine. We then visit the moving Peace Memorial Park and Atomic Bomb Dome. The area where the park now lies was ground zero for the atomic bomb on 6th August 1945, and holds many memorials, monuments and statues. The main attraction of the park is the Peace Memorial Museum that poignantly depicts the history of Hiroshima.

Overnight: Sheraton Hiroshima or similar

DAY 9 | HIROSHIMA - OSAKA

This morning, we head to Osaka, Japan's third largest city once again by Shinkansen. On arrival, we visit Osaka Castle, the city's most famous landmark that offers incredible views. After lunch, we check in to our hotel and have some time at leisure to relax or explore. Tonight, our farewell dinner will be an authentic Japanese kaiseki dinner at a Japanese ryotei restaurant with a geisha performance.

Overnight: Hotel New Otani Osaka or similar

DAY 10 | OSAKA - HOME

Enjoy the facilities of the hotel before transferring to Kansai Airport to board your flight home taking with you fond memories of an unforgettable Japanese discovery.

“So many highlights – the trip satisfied all my interests – ancient temples, buildings, artistic interiors, gourmet meals that were works of art, traditional kimono dress at a tea ceremony – this was a highlight for me.”
