## SOUTHERN BARRIER REEF BY PRIVATE AIRCRAFT

### DAY 1 | ARRIVE BRISBANE

Arrive into Brisbane and transfer to the Sofitel Brisbane Hotel, an elegantly appointed luxury hotel in the heart of Brisbane looking over the iconic ANZAC Square. We enjoy a city tour and discover what makes Australia's third largest capital the welcoming, spirited and energised subtropical city that it is. Your Journey Director will host a welcome dinner this evening.

Overnight: Sofitel Brisbane or similar

### DAY 2 | BRISBANE - BUNDABERG

After breakfast, we board our private aircraft for our flight to Bundaberg. We will see, smell and taste our way through the process of making Australia's most famous spirit at the Bundaberg Rum Distillery. At the Bundaberg Barrel, discover another iconic local product, ginger beer and its other brewed drinks. Go behind-the-scenes and learn about the local food production industry in Bundaberg before visiting Macadamias Australia, the largest family-owned vertically integrated macadamia business in the world.

Overnight: Burnett Riverside Motel or similar

### DAY 3 | BUNDABERG - 1770

Today we begin with a visit to Amadine Lavender Farm where we learn the benefits of lavender essential oil before boarding the aircraft for our flight to Gladstone. On the way, we enjoy exceptional flightseeing of the stunning Lady Musgrave Island, set on 3,000 acres of living reef with an azure protected lagoon. On arrival, transfer across to 1770 where we enjoy lunch at the resort followed by a relaxing afternoon at leisure.

Overnight: 1770 Lagoons Resort or similar

### DAY 4 | 1770

This morning we tour the town of 1770 and learn its history. A coastal town in the Gladstone region, it was built on the site of the second landing in Australia by James Cook and the crew of HM Bark Endeavour in May 1770. We visit the Captain Cook Monument, the 1770 Marina and picturesque Agnes Waters Beach. Following lunch, we visit Paperbark Forest and Chinaman's Beach.

Overnight: 1770 Lagoons Resort or similar

### DAY 5 | 1770 - ROCKHAMPTON

Reboard our aircraft to fly to the central Queensland town of Rockhampton. A historically rich city, most famous for being the beef capital of Australia, Rockhampton is a modern throwback to the heydays of Queensland's colonial past boasting heritage-listed streets and colonial buildings. Tour the limestone Capricorn Caves, which originated in an ancient 380-million-year-old coral reef and today are a maze of small tunnels and larger chambers. Visit the Rockhampton Botanic Gardens and stand at the iconic Tropic of Capricorn.

Overnight: Empire Hotel or similar

### DAY 6 | ROCKHAMPTON - MACKAY

We fly on to Mackay today and tour this historic town that is set in the Pioneer Valley, home to lush coastal ranges and fertile plains. Tour the city centre's heritage and art deco buildings which reflect Mackay's turbulent past. We visit the Sky Window Lookout for views across Pioneer Valley, then transfer to the cool tranquillity of Broken River in Eungella National Park, one of the best locations in the world to see the platypus in the wild.

Overnight: Rydges Mackay or similar

### DAY 7 | MACKAY - CHARTERS TOWERS - TOWNSVILLE

We travel to the outback town of Charters Towers where the heritage streetscapes hark back to the gold rush days of the late 19<sup>th</sup> century. We tour this historical town learning about life in the late 1800s which is reflected in its colonial architecture, including the world's first stock exchange. Fly on to Townsville, gateway to Queensland's far north. A coastal city, Townsville is a vibrant mix of modern architecture and Federation-style buildings, bustling outdoor cafés, restaurants, boutiques and quirky galleries, all linked by a shady park-lined beach promenade.

Overnight: The Ville Resort & Casino or similar

### DAY 8 | MAGNETIC ISLAND

Today we take a day trip to the ruggedly stunning Magnetic Island. Although Magnetic Island sits within the World Heritage-listed Great Barrier Reef Marine Park, the landscape here is different from the usual tropical rainforest found on many nearby islands. About 275 million years ago, nature's forces created an extraordinary landscape of rocky terrain and giant boulders. Magnetic Island has less rainfall than other Queensland islands so it has a dry tropical climate and is covered with eucalypt woodlands. Possessing the natural beauty and serenity of an untouched paradise, cameras at the ready as we tour today. Keep an eye out for koalas and rock wallabies, WWII military base ruins, secluded bays and magnificent national park beaches including Arthur, Radical and Florence Bay.

Overnight: The Ville Resort & Casino or similar

### DAY 9 | TOWNSVILLE - HAYMAN ISLAND

Reboard our private aircraft this morning for another scenically breathtaking flight over the Whitsundays, an archipelago of 74 tropical islands famed for idyllic white beaches and crystal clear teal and azure waters. We cruise from Hamilton Island to our exceptional accommodation for two nights on Hayman Island.

Overnight: InterContinental Hayman Island Resort

### DAY 10 | HAYMAN ISLAND

A day at leisure to enjoy this world-renowned island paradise. The group gathers this evening for the Farewell Dinner.

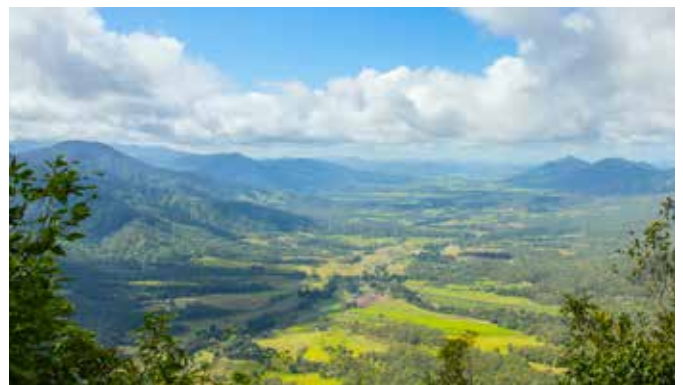

Overnight: InterContinental Hayman Island Resort

### DAY 11 | DEPART HAMILTON ISLAND

After breakfast this morning we enjoy a launch transfer from Hayman Island back to Hamilton Island, where we will board our flight home. Say a fond farewell to new friends and take away memories of an unforgettable Barrier Reef adventure.
