THE FLINDERS RANGES BY PRIVATE AIRCRAFT

DAY 1 | ARRIVE ADELAIDE

Arrive in Adelaide and transfer to the Mayfair Hotel, Adelaide's 5-star boutique hotel. Meet your Journey Director and fellow travellers at a welcome dinner tonight.

Overnight: Mayfair Hotel or similar

DAY 2 | ADELAIDE - COOBER PEDY

After a brief city tour of Adelaide, board a private light aircraft for a spectacular flight north to land at Coober Pedy. Explore this colourful frontier township and learn of its interesting origins and lifestyle, as most of the locals have built their homes underground to escape the scorching summer temperatures. This afternoon we will enjoy a tour of Coober Pedy including an underground home and church, the opal fields and an opal mine. Tonight's accommodation is at the famous Desert Cave Hotel.

Overnight: Desert Cave Hotel or similar

DAY 3 | COOBER PEDY - PARACHILNA

Truly appreciate the unique landscape of this region as we board our small charter aircraft for spectacular aerial sightseeing over Coober Pedy and the natural wonder of Lake Eyre. After a lunch stop at William Creek, the private aircraft awaits for another remarkable flight to Leigh Creek. We then transfer to Parachilna and the well known Prairie Hotel, the location for many famous movies including Gallipoli, The Lighthorseman and Rabbit Proof Fence.

Overnight: Prairie Hotel or similar

DAY 4 | PARACHILNA - NILPINNA STATION

Following breakfast, we visit Nilpinna Cattle Station which sits north of William Creek on the Oodnadatta Track. Here, we learn why the area around Parachilna is so remarkable and important to geological history. In 1946, geologist Reginald Sprigg discovered fossil imprints in rocks at the old Ediacara Mine. These fossils preserve an entire ecosystem, enabling scientists to understand what life on Earth was truly like in some of its earliest forms. Some fossils in the Ediacaran deposits are unlike any creature alive today and led to the naming of the first new geological era in 120 years, the Ediacaran which spans from 630 to 542 million years ago.

Overnight: Prairie Hotel or similar

DAY 5 | PARACHILNA - RAWNSLEY PARK

The journey continues by air from Leigh Creek to the majesty of the Flinders Ranges. The Flinders are an insight into the depth of Australia's geological history, extending back more than a billion years, with long-disappeared mountain ranges, beaches, tidal flats, reefs and glacial moraines – the evidence remains in the rocks to this day.

A highlight of today's touring includes Wilpena Pound. The Pound rises as an immense, crater-like fusion of stark purple ridges and overhanging blues, strewn with tough and colourful vegetation, in jarring contrast to the flatness of the surrounding plains. We check in to Rawnsley Park, overlooking the southern side of Wilpena Pound. Rawnsley Park Station provides the perfect base for exploring South Australia's beautiful Flinders Ranges.

Overnight: Rawnsley Park or similar

DAY 6 | RAWNSLEY PARK

Spend the day exploring the beautiful sights of the Flinders Ranges National Park. Home to some of the most fascinating ancient landforms on earth, it is also famous for its many and varied wildflowers which sees native plant life carpeting the semi-arid landscape of the Ranges. Relax on the deck at your beautiful accommodation this evening and toast the magnificent sunset in this incredible corner of South Australia.

Overnight: Rawnsley Park or similar

DAY 7 | RAWNSLEY PARK - BAROSSA VALLEY

This morning we tour Rawnsley Park including the shearing shed where 2,000 South Australian Merino are run. More spectacular 'flightseeing' this afternoon as we fly to Gawler in the Barossa Valley. We transfer to our multi-award winning luxury accommodation for two nights, The Louise, set amongst the vineyards. Enjoy a horse and carriage ride to our first Barossa wine tasting.

Overnight: The Louise or similar

DAY 8 | BAROSSA VALLEY

We begin the day with a visit to famed author and restaurateur Maggie Beer's Farmshop to enjoy an interactive cooking demonstration. The wineries of the Barossa have received world acclaim. A visit to the area would not be complete without visiting some wineries to sample the local produce and for those who aren't interested in wines, the gardens at each of the wineries are a delight to explore.

Overnight: The Louise or similar

DAY 9 | BAROSSA VALLEY - ADELAIDE

Today we visit The Cedars house and garden, Australia's oldest viewable artist's studio. Continue to the charming town of Hahndorf, the jewel of the Adelaide Hills. Considered one of South Australia's most popular towns to visit, Hahndorf was originally a farming village of Lutheran settlers and is classified as the oldest surviving German settlement. Relax this afternoon before our farewell dinner this evening.

Overnight: Mayfair Hotel or similar

DAY 10 | DEPART ADELAIDE

After a leisurely breakfast this morning transfer to the airport for your return flight home. We say a fond farewell to new friends and take away memories of an unforgettable South Australian adventure.

"I think the whole tour was fantastic. Everything was excellent. In all a wonderful holiday. I am sure I will only travel in future on a Bill Peach holiday. As I am on my own I feel well looked after, fellow companions are very pleasant and easy to get on with."
