SOUTHERN EXPLORER BY PRIVATE AIRCRAFT

DAY 1 | ARRIVE LAUNCESTON

Your journey begins this afternoon in Launceston. Settled by Europeans in March 1806, Launceston is one of Australia's oldest cities and is home to many historic buildings. Tonight there will be a welcome dinner.

Overnight: Peppers Silo Hotel or similar

DAY 2 | FLINDERS ISLAND

After a leisurely breakfast we board our private aircraft for our flight to Flinders Island. Located in the waters of Bass Strait, off the north-eastern tip of Tasmania, Flinders is the largest island in the Furneaux Island Group. This group of more than 50 islands are all that remain of the land bridge which once joined Tasmania to the Australian mainland. We will tour the island and enjoy lunch before reboarding the aircraft for the return flight to Launceston.

Overnight: Peppers Silo Hotel or similar

DAY 3 | LAUNCESTON - FREYCINET

This morning is spent visiting the historic town of Evandale and Woolmers Estate. A local historian will guide us through the homestead and provide some understanding of its nearly 200 year history. As part of the estate you will also have the

opportunity to explore The National Rose Garden. We continue our journey to Freycinet stopping enroute at Campbell Town known for its Convict Brick Trail.

Overnight: Freycinet Lodge or similar

DAY 4 | FREYCINET NATIONAL PARK

This morning take a cruise on Wineglass Bay. Relax on board and enjoy the spectacular surrounds of this remote and stunning part of Tasmania while sampling some incredible local produce and wine. Explore the rugged coastline with towering pink granite cliffs plunging into the Tasman Sea. There is an opportunity for you to walk on the beach at Wineglass Bay, which is recognised as one of the top ten beaches in the world, or simply relax on board enjoying magnificent surroundings.

Overnight: Freycinet Lodge or similar

DAY 5 | FREYCINET NATIONAL PARK - HOBART

Our private aircraft awaits this morning to transport us to Hobart. En-route we fly over the spectacular eastern coastline and Maria Island. On arrival enjoy a tour of Hobart before visiting MONA, the most contemporary gallery in Australia.

DAY 6 | PORT ARTHUR

After a leisurely breakfast, we spend the day exploring Port Arthur, the former convict settlement set on top of the Tasman Peninsula. This dark history contrasts with the beauty of the surrounding area. Full of powerful stories of hardship and loss, it is one of Tasmania's most visited sites.

Overnight: Hotel Grand Chancellor Hobart or similar

DAY 7 | BRUNY ISLAND

Today we travel to Bruny Island for an incredible wilderness cruise. Travel alongside some of Australia's highest sea cliffs, beneath towering crags and drift up close to listen to the awesome 'Breathing Rock'. Enter deep sea caves, pass through the narrow gap between the coast and 'The Monument' and feel the power of nature at the point where the Tasman Sea meets the might of the Southern Ocean. Join in the search for the abundant coastal wildlife such as seals, dolphins, migrating whales and sea birds.

Overnight: Hotel Grand Chancellor Hobart or similar

DAY 8 | HOBART - STRAHAN

Today enjoy a tour of Hobart before transferring to our private aircraft for a scenic flight over the western coastline of Tasmania. In the afternoon we arrive in Strahan, known as the gateway to two of Tasmania's renowned wild rivers, the mighty Gordon and Franklin, which meander through the Franklin Gordon Wild Rivers National Park. Lying in the heart of Tasmania's World Heritage wilderness area, it is a region of spectacular gorges and deep river valleys.

Overnight: Strahan Village or similar

DAY 9 | STRAHAN - CRADLE MOUNTAIN NATIONAL PARK

This morning we cruise the world heritage listed Gordon River including Hells Gate and Salmon farms including a guided stopover at Sarah Island. Next, our flight to Devonport offers breathtaking aerial sightseeing over the Cradle Mountain region. Encompassing some 161,000 hectares, Cradle Mountain - Lake St Clair National Park covers some of Tasmania's highest country and is renowned for its magnificent alpine scenery. At the base of Cradle Mountain, in deep depressions cut by glacial action, lies Crater Lake, Dove Lake and Lake Lilla. Transfer to the wilderness luxury of Peppers Cradle Mountain Lodge.

DAY 10 | CRADLE MOUNTAIN NATIONAL PARK

Today, explore this World Heritage area of rugged mountains, glacial lakes and wild alpine moorlands. An adventure to remember today as we discover this spectacular pristine wilderness including Dove Lake and Waldheim before spending some time in the Cradle Mountain Wilderness Gallery. The afternoon is at leisure, giving you an opportunity to stroll through this outstanding national park.
