"Each day there was another highlight. Visiting remote places made possible via small aircraft access. The remoteness of the Kimberley.... delightful."
 Margaret Haggarty, NSW

Allow us to reveal the visual splendour that awaits in the magnificent Kimberley located in Western Australia's remote Far North West. For over 40 years, Bill Peach Journeys has showcased this remarkable and vast region from the air and through insightful touring. Not only will we view the incredible Purnululu (Bungle Bungle Range) from above, we will also walk amongst its awe-inspiring domes for an up close exploration of this most incredible natural formation.

We begin our adventure in Darwin where we learn about the city's fascinating military past and the invaluable service provided by the Royal Flying Doctors. In the untamed natural beauty of El Questro Wilderness Park, cruise Chamberlain Gorge, view sweeping landscapes and relax in the soothing waters of Emma Gorge and Zebedee Thermal Springs. In rugged Kununurra, we cruise the Ord River. One of Australia's most stunning river systems, it is scenically beautiful and rich in wildlife and flora. From the rich red vistas of the Kimberley, we fly back to Darwin having experienced one of Australia's last true frontiers, the heart of the Kimberley; an outback discovery that is wondrous in every way!

THE WONDROUS NORTH WEST BY PRIVATE AIRCRAFT

DAY 1 | ARRIVE DARWIN

Upon arrival in Darwin, the capital of Australia's Northern Territory and a former frontier outpost, your private transfer will take you to the Novotel Darwin. The balance of the day is at leisure to relax in your hotel offering water views or perhaps explore tropical Darwin; Smith Street Mall is only a few minutes walk away from the hotel. From ancient Aboriginal Dreamtime stories and the pioneering spirit of the early settlers, to survival stories of WWII, the bombing of Darwin and Cyclone Tracy, Darwin's history and heritage is vast, diverse and captivating in every way. This evening, join our Journey Director and fellow travellers at a welcome dinner sunset cruise on Darwin Harbour enjoying delicious food, magnificent views and interesting commentary.

DAY 2 | DARWIN

Following breakfast, we visit the Royal Flying Doctor Service to enjoy heroic tales and learn the history of the RFDS. Tour the Darwin Military Museum and discover the city's historical and turbulent past. DAY 3 | DARWIN - EL QUESTRO

After breakfast we board our private aircraft for our flight along the East Kimberley coastline. Below us passes a land of breathtaking contrasts covering billions of years in history. Comprising in total over one million square kilometres, Australia's North West is one of the last true wilderness areas on Earth. Known for sweeping landscapes defined by rugged ranges, dramatic gorges, semi-arid savanna and a largely

isolated and spectacular coastline, the Kimberley is a sight to behold.

We arrive at the El Questro Station strip and are then transferred via 4WD to our riverside accommodation. This evening, as vivid orange and pinks that paint not just the horizon but the whole sky appear, we discover why Western Australian sunsets are rated as some of the most beautiful in the world.

Overnight: El Questro Station - Emma Gorge or similar

DAY 4 | EL QUESTRO

Amid the vast and ancient landscape of Western Australia's East Kimberley region sits the untamed natural beauty of El Questro. A destination unlike any other, El Questro offers the freedom to explore one of Australia's last true frontiers. From deep gorges and majestic mountains to thermal springs, mud and salt-flats, rainforests and cascading waterfalls; everything the Kimberley has to offer is located across the property. We begin with a visit to Zebedee Springs, a serene oasis of thermal pools and waterfalls set in the prehistoric forest of Livistona and Pandanus palms. Unwind in the inviting surroundings and for those interested, an opportunity to enjoy a soothing soak. This afternoon, we embark on a cruise through the impressive Chamberlain Gorge. During the cruise, we discover the diverse flora and fauna, resident rock wallabies, Johnston crocodiles and the always cheeky Archer fish, which are all familiar inhabitants of the gorge. Relax on the peaceful return journey admiring the colours of the Kimberley in the towering cliffs.

Overnight: El Questro Station - Emma Gorge or similar

DAY 5 | EL QUESTRO - KUNUNURRA

Leaving the remarkable El Questro behind, we re-board our private aircraft for the flight to Kununurra. On the way, we will enjoy incredible 'flightseeing' over an ancient land of sweeping

vistas and rugged natural wonders, a frontier of deep gorges and majestic mountains. Upon arrival, we will take a brief tour of Kununurra before transferring to our accommodation.

DAY 6 | PURNULULU (BUNGLE BUNGLE RANGE)

An incredible never to be forgotten experience today as we board a scenic flight to the World Heritage-listed Purnululu National Park. Soar over the full expanse of Lake Argyle, the Ord Top Dam Wall, Lake Kununurra, and the Ord Irrigation Area. Be enthralled by the magic of the East Kimberley landscape and witness spectacular aerial views of the Bungle Bungle Range.

Once landed in Purnululu National Park, enjoy a guided walk through the remarkable black and orange banded domes. Marvel at the stunning panoramic views of the region including the western escarpment of the Bungle Bungle Range from Kungkalanyi Lookout. Another spectacular flight returns you to Kununurra this afternoon.

DAY 7 | KUNUNURRA

Start the day with a viewing of the enormous Lake Argyle and crossing of the Ord Top Dam wall where we will see the Ord Hydro-Power Station. Departing the breathtaking Kimberley coast, you will fly over the glimmering emerald Timor Sea then cross over the Northern Territory coast. We check-in to our Darwin hotel once again to prepare for our farewell dinner at one of Darwin's most renowned restaurants.

Overnight: Novotel Darwin or similar
