“As a single lady, I never feel any discomfort on a Bill Peach Journeys trip. I have travelled with lots of other tour operators and no one else looks after me the way Bill Peach Journeys does. I never feel lonely and get to see the most amazing places.”

ABOUT FIORDLAND DISCOVERY

A Family Business - Rob Swale - Owner / Captain is one of Fiordland's most experienced skippers, and Fiordland is in his blood. Rob's father John "Swaley" Swale was a commercial crayfisherman and Rob grew up surrounded by the sea and Fiordland, spending much of his childhood on his father's boat Voska. Rob met Kate in Queenstown 28 years ago when she first arrived from England. When his father retired, Rob took over operations, leased a crayfish quota and went on to commission the first-ever commercial fishing boat built in Queenstown. Rob noticed that people wanted more comfort while spending time in Milford Sound and Fiordland, so he tailored his charter trips and cruises accordingly – which ultimately led to establishing Fiordland Discovery.

He loves sharing Fiordland with guests and his knowledge of the area is immense. The couple's passion has been passed on to their children, with sons Jack and Joe working on board as crew and completing their diving certificates. These days, Rob is an advocate for sustainable fishing practices and preserving the Fiordland's precious wildlife.
