Modern Singapore was founded in the 19th century, thanks to politics, trade and a man known as Sir Thomas Stamford Raffles. Today, many slices of Singapore's multi-cultural, colonial and wartime past are preserved in and around the city. In addition to its fascinating history, Singapore is known for its celebration of nature. Be awed by the award-winning floral displays at the biennial Singapore Garden Festival and explore the impressive National Orchid Garden within the Botanic Gardens. Take in the striking kaleidoscope of colours visiting the **Impressions of Monet: The Garden** display at Gardens by the Bay and view the architectural marvels there which re-imagine nature with artistic finesse. We will step into the past while visiting monuments, museums and memorials in this fascinating melting pot while also exploring the modern wonders for which the city is now famed. From the timeless elegance of a Raffles high tea to the phenomenal modern developments at Marina Bay Sands, Singapore is the perfect blend of East meets West, classic style melding with modern innovation. DAY 2 | SINGAPORE SIGHTS

We start today with a "Bumboat" ride where we learn of the great historical importance of the Singapore River, including that of its founding fathers. Alighting at Esplanade Bridge we come face to face with Singapore's very own tourism mascot, the Merlion whilst the structural masterpiece, the Marina Bay Sands Hotel, stands majestically in its awesome grandeur. We then explore the Civic District where Singapore's historical, architectural and cultural heritage started.

Moving on, we visit one of the oldest and most important Hokkien temples in Singapore, Thian Hock Keng Temple. Finally today we visit the National Orchid Garden, within the Singapore Botanic Gardens, which boasts a colourful display

of 60,000 orchid plants, with 400 species including the national flower of Singapore. Overnight: Four Seasons Hotel or similar

DAY 3 | GARDENS & RAFFLES

We start with a visit to Gardens by the Bay, home to a diverse collection of plants that hail from every continent except Antarctica. A private tour will reveal that the gardens house two climate controlled indoor glasshouses - Cloud Forest, which replicates the world's tropical regions and Flower Dome, which replicates the Mediterranean and South Africa. We also explore the Supertrees which provide impressive aerial views of the gardens and view the delightful *Impressions of Monet: The Garden* display, a multi-experiential display, which brings to life the iconic and timeless artworks of impressionist painter Claude Monet.

Another meal to remember as we transfer to the iconic Raffles hotel to enjoy high tea accompanied, of course, by a Singapore Sling. Step into the colonial elegance of yesteryear when Sir Stamford Raffles founded Singapore in 1819. This evening, enjoy an evening light show at Gardens by the Bay.
