"Every day was full of highlights. Particularly good was not having to queue up and having special guides."

Judith Pollock, Sutherland NSW

Explore an area of outstanding natural beauty with mountains, rivers and lush fertile valleys and picturesque historic towns. Gracious avenues of poplars, maples, silver birches, pin oaks, liquid amber and verdant ashes - many planted early last century - cloak the towns and villages of the area in stunning foliage. Dotted along the Ovens and Kiewa rivers the towns are nestled at the very foot of the Mount Buffalo and Alpine National Parks.

A photographer's paradise, the mountains offer spectacular vistas, beautiful wildflower displays and the chance to see Australia's native birds and animals in their natural environment. Visiting during spring we will fully appreciate the vibrancy of this region and be awed by nature's colour palette. With breathtaking backdrops you will learn a fascinating history shaped by pioneering pastoralists, fortune-seeking gold miners and post-war migrants that unfolded in Victoria's High Country. Delightful accommodation and incredible food and wine as usual! We would love you to join us.
