DAY 1 | ARRIVE BYRON BAY

Transfer from Ballina or Coolangatta Airport to the award winning Crystalbrook Byron (formerly known as The Byron at Byron Resort), the perfect base for our upcoming touring of the Byron Bay region. Enjoy the many facilities of this exceptional resort; dine in style surrounded by the lush rainforest canopy or you may wish to take some time out for indulgent R&R with a special treatment at the resort's luxurious day spa. Experience the height of luxury in the heart of nature at Crystalbrook Byron.

Your welcome dinner will be at The Beach Byron Bay whose menu celebrates the best seasonal and regional produce from the local Northern Rivers community and surrounds. Meet your Journey Director and fellow travellers as you enjoy unparalleled views on the waterfront overlooking Clarkes Beach.

DAY 2 | BYRON BAY

After breakfast we depart for our whale watching cruise to see these magnificent creatures during their annual northern migration from our spectacular vantage point in the heart of the Cape Byron Marine Park. Encompassing a range of marine habitats, Cape Byron Marine Park is home to many species of dolphin, fish, seabirds, and marine plants, as well as endangered species such as grey nurse sharks, sea turtles and little terns.

Later, visit the Ballina Naval and Maritime Museum to see the largest collection of Naval and Merchant Ships in Australia, including the original Las Balsas Raft.

DAY 3 | BYRON BAY

Following breakfast, visit the Cape Byron Lighthouse built in 1901, which offers visitors an insight into what life was like in the days of the lighthouse keepers. The Lighthouse is the most powerful in Australia and is located at The Cape Byron Headland Reserve, situated on the most easterly point of mainland Australia. The reserve comprises spectacular sea cliffs, rare and beautiful coastal vegetation and spectacular beaches. Enjoy an easy scenic walk along the Palm Valley loop walking track winding its way through shaded palm rainforest for the 10 minute walk on a flat paved pathway.

Celebrating the beautiful produce of the area, we tour to the hinterland and "The Farm". Set on 80 acres, it is a working farm, home to a community of growers, producers, eateries, and educators who share a passion for growing food using traditional, sustainable methods that are 100% spray and chemical free. We enjoy lunch at the charming Three Blue Ducks. Visit Brunswick Heads, a charming seaside village famed for its pristine beaches and sparkling river before returning to the hotel.

We then take a short drive to Bangalow, a charming township in a verdant valley known for its elegant federation buildings, inviting parks, galleries and boutiques.

Offering sophistication & warm ambiance amongst the beautiful country setting of Newrybar in the Byron Bay Hinterland, the award-winning Harvest Cafe is our next destination.
